

TOEIC PRACTICE TEST 1

General Directions

This test is designed to measure your English-language ability. The test is divided into two sections: Listening and Reading.

You must mark all of your answers on the separate answer sheet. For each question, you should select the best answer from the answer choices given. Then, on your answer sheet, you should find the number of the question and fill in the space that corresponds to the letter of the answer that you have selected. If you decide to change an answer, completely erase your old answer and then mark your new answer.

Section I: Listening Test

In the Listening test, you will be asked to demonstrate how well you understand spoken English. The entire Listening test will last approximately 45 minutes. There are four parts, and directions are given for each part. You must mark your answers on the separate answer sheet. Do not write your answers in the test book.

Part I: Photographs

Directions: For each question in this part, you will hear four statements about a picture in your test book. When you hear the statements, you must select the one statement that best describes what you see in the picture. Then find the number of the question on your answer sheet and mark your answer. The statements will not be printed in your test book and will be spoken only one time.

Look at the example item below.

Now listen to the four statements.

Statement (C), "The curtains are opened." is the best description of the picture, so you should select answer (C) and mark it on your answer sheet.
